

## Aviva Yerba Mate Distributing

**100% Wild Harvest ~ Pure Leaf Yerba Mate!** Yerba Mate (pronounced "Mah-Tay") is truly a remarkable herbal beverage which ranks exceptionally high in nutritional content among brewed or steeped drink products. For pennies a serving, a cup of yerba mate provides more value and is more cost effective than many manufactured energy drinks or meal replacement options on the market. Additionally, a large number of consumers trying to kick the coffee habit have found yerba mate to be a healthful, yet still stimulating, alternative to their cup of joe. A South American Tradition Revered for Centuries... 92% Household Consumption Rate in Argentina! (Compared to only a 62% rate for coffee in the US)
